Quick installation (1/2 hour with 2 people)

Fully Accessible

Natura is an outdoor table tennis table designed with a timber frame that blends into the natural environment.

- Realistic ball bounce - performs like an indoor table
- Triangular net helps to return ball to player
- Very robust - can withstand loads of over 1000kg per side
- Will not crack, corrode or rot
- Vandal resistant
- Resistant to environmental aggressions such as UV, frost, salt spray
- Simple to assemble
- Can be left as freestanding or bolted down (Ground fixings not supplied)
- Natura is TUV-approved and features competition rebound

# Natura

## Dimensions

2,74 m x 1,52 m H 0,76 m.

## Weight

174 kg.

## Resitec HD 60

- Sandwich of composite materials (60 mm thick) molded under pressure and offering exceptional resistance to traction and bending.
- Anti-reflective finish made in molding, rounded corners.
- Resistance to shocks and bad weather (UV, frost, salt spray, moonlight, etc.).

## High quality recreational rebound

Complies with standard EN 14-468-1.

## Base

- Sections in wood of European origin.
- Natural stained wood.
- Assembly fittings in rust-proof steel then powder-coated.
- Compliant with Disabled Access standards as it allows the passage of a wheelchair.

## Net

- Standard Anti-Vandalism model in galvanized and thermo-lacquered steel, thickness 3 mm.
- Color white.
- Security Net option: triangular format with rounded top with a radius of 10 mm, anti-rust treatment by electro-galvanizing and powder coating.

## Delivery

- Product delivered disassembled, to be installed in the center of a safety zone of 6.8 m x 4.6 m.
- Fixing of the elements by screws.
- Sealing to the ground by 4 points.
- Installation time: 1 hour with 2 people.

## Further Information

- Certified in accordance with standard NF-EN 15-312 Free access sports equipment.
- Resistance in compression 1600 kg and in traction 200 kg.

Resitec HD 60

Rounded Corners

DDA Compliant

Built in Net

Easy to install

Can be fixed to existing tarmac, concrete or grass.
