

Link-up Challenge Wall

2m - MA-028

3m - MA-021

Markings MA-907 (optional extra with an additional cost)

How to play the game:

1. Stand on the arrows closest to the number wall then use a ball to hit a numbered panel
2. Take turns. If successful, move back to the next marking
3. The first to hit number targets from all floor positions wins.
4. To make the game harder for older players numbers should be hit in order, or scores kept for the highest overall.

MultiActive - Game Walls and Markings

MultiActive encourages all children, regardless of ability, to gain confidence with sports, teamwork and mathematical thinking. Regular play supports children's general health and fitness, while building hand-eye and foot-eye coordination.
