

## Maths Leap Wall

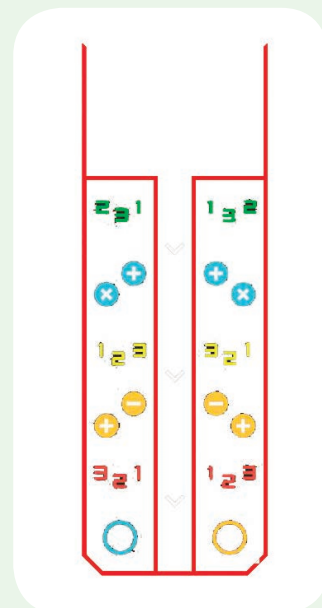

2m - MA-026

3m - MA-023

Markings MA-908 (optional extra with an additional cost)

### How to play the game:

1. Stand on the ring marking and use a ball to hit a numbered panel.
2. Either use the number hit or choose another from that colour block.
3. Jump your way through any 'sum' that makes up your number, using the ground markings.
4. Gain a point each time the sum equals the correct answer.
5. Play in teams to achieve higher scores.

## MultiActive - Game Walls and Markings

MultiActive encourages all children, regardless of ability, to gain confidence with sports, teamwork and mathematical thinking. Regular play supports children's general health and fitness, while building hand-eye and foot-eye coordination.
