

Square Sandbox with cover

EC-121

This sandbox comes with a twist... The perimeter is labelled with numbers and letters which invites searches for "buried treasure" (includes breathable heavy duty fabric cover).

Unit size: (L)305 x (W)305cm

Earlyworks - Sand & Water Play

Sand & Water Play promotes sensory development and offers child-initiated activities. Cascading water invites pouring, mixing, floating, and draining small toys and other objects from the environment. Sand promotes digging, building, burying, and sculpting. Sand & Water Play is a critical sensory experience for children's healthy development.
