

Alice Children's Picnic-Play Table

SF-950

Comes with a storage box which is located underneath the table top. This is great for storing children's outdoor equipment. It is made with pressure treated timber from managed forest.

Unit Size: 1.20 x 1.20 x 0.60m

Furniture - Infant Furniture

Bring learning outdoors! Offer environments for educators and students to gather outdoors for drawing, story time, and sharing experiences.
