

Timber 1/2 Rounds

SS4-16

Quick and easy to install, our half round log edging is supplied on a roll and is secured into position using timber stakes. Once installed, this edging can be painted or stained if required. Perfect for curved edges.

Code	Area - approx
SS4-16A	20 m
SS4-16B	50 m
SS4-16C	100 m

Surfacing - Edging Detail

We offer a comprehensive range of impact absorbent and traditional playground surfaces. Our impact absorbent surfaces are certified to EN1177 and include rubber wet pour, grassmatting, bonded rubber shred and loose fill systems. We can undertake site preparation as required for these surfaces and our installation teams are experienced in the installation of traditional tarmac areas and can lay new or overlay existing.
