

Full Body Community Bundle 1

HD01 Hydraulic Push Up

HD02 Hydraulic Squat Machine

HD03 Hydraulic Chest Press

HD04 Hydraulic Leg Press

CW-05 Cross Rider Duo

CW-70 Seatless Arm Bike & Wheels

The Full Body Community Bundle offers a complete workout for the user. With four strength based hydraulic units, one wheelchair accessible and one cardiovascular unit this offers a complete workout for all muscle groups. The units can be installed directly into tarmac or grass or we can supply a wide range of safety surfacing options.
