Caloo Workout - CW70

SeatlessArm BikeandWheels

Certified by TUV to EN 16630

Unit Weight : 33kg

Size: 900 x 740 x 1390mm

This piece of equipment will focus on developing the arm and shoulder muscles.

The workout Range features individual fitness stations which offer an environmentally friendly outdoor fitness facility. Each unit is designed to target a specific muscle group, creating a variety of activities which can create a full body workout or aid recuperation after accident or illness. Workout units are available in two attractive colour combinations : blue and silver or green and silver.
