Standard Sandpit

EYA-002

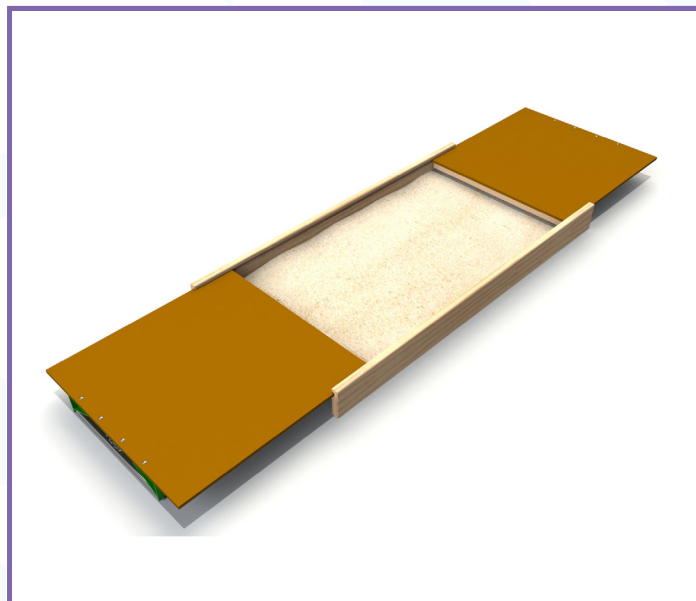

A ready-assembled timber sandpit with hinged lids that fold out into bench seating, ideal for outdoor creative and sensory play.

When open, the unit measures 4260mm in length, 1220mm in width, and 213mm in height. When closed, it measures 2400mm in length, making it a compact and flexible addition to any play space.

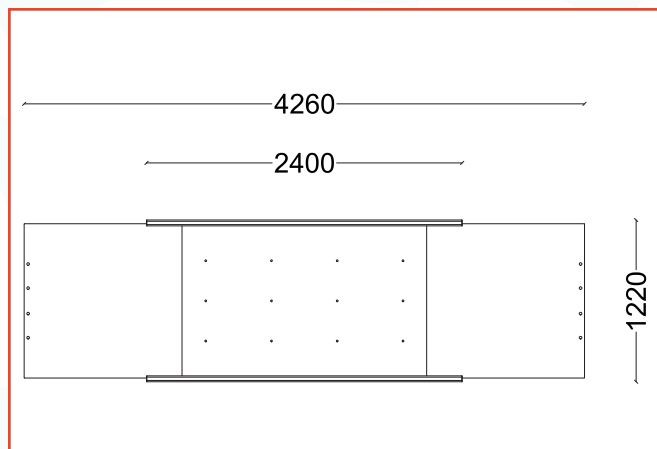

Unit is free standing and constructed from 195x 95mm Sleepers.

This product comes ready assembled.

Sand Required = 0.24m³
(Sand not included)

Technical Information

Materials

Pressure-treated UK pine sleepers are a highly durable and versatile material designed for exterior use, especially in demanding, ground-contact applications.

They are engineered through a specific industrial process to provide long-term resistance to biological degradation that would quickly destroy untreated timber.

Surfacing

Surface Measurements

Grass Matting

N/A

Grass Matting (Wear Area)

N/A

Wetpour

N/A

No safety surface required as critical fall height is less than 600mm. However, we suggest allowing an appropriate free space around the item in compliance with BS EN1176.
