1.2m Mud Kitchen

EYA-019

A compact and engaging mud kitchen designed for creative outdoor play and early years role play activities.

This unit features a removable stainless steel bowl for mixing and water play, spinning HDPE knobs, and engraved hob and chopping board details for added realism. Timber top and bottom shelves provide space for storing pots, utensils, and natural materials.

Perfect for nurseries, schools, and outdoor learning spaces. This unit measures 1200mm in width, 600mm in length, and 1004mm in height.

Technical Information

Materials

Our timber play equipment is constructed from laminated Glulam timbers for all load-bearing and structural posts. Made from European Redwood heartwood, the laminates are bonded with moisture-resistant, durable, and structurally approved adhesive, with grains aligned for maximum strength. Sourced from FSC-approved, sustainably managed European forests, Glulam ensures both safety and environmental responsibility.

Manufactured from high-grade waste which rescues countless tons of scrap from ending up in landfill. Renowned for its exceptional durability, our HDPE is virtually unbreakable, engineered to withstand the most challenging conditions. Moreover, it boasts excellent UV stability.

Surfacing

Surface Measurements

Grass Matting N/A

Grass Matting (Wear Area) N/A

Wetpour N/A

No safety surface required as critical fall height is less than 600mm. However, we suggest allowing an appropriate free space around the item in compliance with BS EN1176.
