Area Needed: 5880mmx3730mm

This unit provides a great cardiovascular and lower body workout. It will improve flexibility and build strength in the hips and legs.

The Caloo workout Range features individual fitness stations which offer an environmentally friendly outdoor fitness facility. Each unit is designed to target a specific muscle group, creating a variety of activities which can create a full body workout or aid recuperation after accident or illness. Caloo Workout units are available in three attractive colour combinations : blue and silver, green and silver or red and yellow.
