

Caloo Upper Body Workout

Product - CW-64

Safety Spacing

Unit Free Fall Height: 690mm
Area Needed: 5183mm x 3942mm

Suitable for users over 1400mm tall.

Certified by TUV to EN 16630

This combi unit provides a great workout for the arm muscles, primarily the triceps and the biceps.

The Caloo workout Range features individual fitness stations which offer an environmentally friendly outdoor fitness facility. Each unit is designed to target a specific muscle group, creating a variety of activities which can create a full body workout or aid recuperation after accident or illness. Caloo Workout units are available in three attractive colour combinations : blue and silver, green and silver or red and yellow.
